SUBJECT

Appropriation for certain incomplete Educational buildings

Indexed JR for Secy

GPB—10 000—25 8 15

Subd

The total provision available for buildings during the current year is Rs 23,577, of which 15 000 Rs are intended for new & minor works and Rs 8577 for incomplete works The following items have already been sanctioned from the provision of Rs 15 000 for new & minor works —

5000 for building house for the Channapatna H school vide para 57

1210 for repairing the SK Cutchery building at Nagamangala para 69

225 for acquiring a site for the AV school at Sattlepet para 68

840 for acquiring site for the AV School at Chamarajanagar paper 70

7275

The total Amount now available under buildings is 23577 — 7275 = Rs 16302 If the Appropriation of Rs 12,239 now asked for incomplete

of what remains out of the Sanctioned allotment - Perhaps it may be arranged if subsequent detailed Estimate to the extent of last years Savings not covered by the Grant of Rs 8577 made for incomplete works.

OFFICE OF THE INSPECTOR-GENERAL OF EDUCATION IN MYSORE,

No 2363/166 Mysore, ~~Bangalore~~, 17, September 1896

From

H. J BHABHA Esq

Inspector General of Education in Mysore,

To

The Secretary to the Government of Mysore,
General and Revenue Departments,
Bangalore

SIR,

With reference to para 14 of the Government Order No 2145/Ed 16 of 6th July 1896 sanctioning the State Funds Budget of the Education Department for the current official year, I have the honour to inform you that when the statement of Building Works which accompanied my Memorandum on the State Funds Budget was prepared, the incomplete works were estimated to cost Rs 8577 the amount asked for by the Chief Engineer of Mysore for the current year's outlay on the incomplete Educational building works carried out through the agency of the Public Works Department comes to Rs 12,239, exclusive of the unappropriated contributions of Rs 230 for the Pattashalle

schoolhouse and of Rs 992 for the Tuncere school building. An extract from the Chief Engineer's statement of incomplete works requiring appropriations from the Educational Budgets for 1896-7 is herewith enclosed for reference. The estimate of Rs 8,577 for incomplete works was framed with the idea that the appropriations sanctioned for them last year would be worked out almost in full. It will be seen, however, from the Chief Engineer's statement that lapses of last year's appropriations requiring to be reprovided in the current year's Budget amount to more than Rs 1,000. I request therefore that Government may be pleased to sanction the full amount asked for by the Chief Engineer of Mysore for incomplete works, viz, Rs 12,239 together with the contributions of Rs 230 and Rs 992 referred to above in place of the Rs 8577 already sanctioned for them.

2 I beg to add that the provision sanctioned for New Works as well as for Minor Works in the Educational State Funds Budget for the current official year is much too small for the requirements of the Department.

I have the honour to be,
Sir,
Your most obedient servant,
H J Bhabha
Inspector General
